CAST MEMBER SPOTLIGHT

OF THE Week

NORTHEAST

Meet Ashley Peace, Cast Member in restaurant #512 Bridgewater. Ashley has been a super star with Chuck E. Cheese for 6 ½ years now and counting! Her favorite thing to do at work is playing activities with the guests, as well as group dances. Her favorite color is teal and she enjoys to knock things off her bucket list with her best friend. Ashley is going to be a Godmother to a baby girl who is due on her birthday – she is very excited! One day she plans to open her own bar and restaurant.

I am writing to thank the Chuck E. Cheese staff for throwing a fabulous birthday party for my nephew. He has autism, and seeing the staff take patience with him made our evening. He truly felt valued and we enjoyed every single moment! All of the games were in working order and fun, prizes were great; just an all around great experience. We since returned this summer and had a similar experience. I hope to share more with others. We love the pizza, thanks for a great place for a kid to have fun!

My family and I have been to this location multiple times, and I have to say how incredibly impressed I am with the general manager named Rob. He has always been very happy and helpful when we are there, and really goes above and beyond to provide great service to me and my family. I accidentally left my purse there one night. I called and Rob picked up (after hours) and he said they had found it and would keep it in the back until I could come and get it. What a great guy!

We visited the Chuck E. Cheese location at Dulles today and had such a great experience that we wanted to write. We had the pleasure of meeting Yesy today. She took our order, later she helped us with the salad bar, then even later she helped us at the ticket/toy counter. Every single time she was very helpful and smiling, and treated us so well. The truth is, all of the employees we have encountered at this location over the years have been helpful and pleasant, and the managers always do their best to satisfy the guest. But today, Yesy stood out to us and we wanted to recognize her.

It was a blast! I have always loved Chuck E. Cheese's, but this trip was awesome! The place was bright and inviting, the employees were happy and smiling. I like the fact that there are people you can go to when the machines need more tickets, etc. The food was wonderful and I think, reasonably priced. Great variety of games! My grandkids and I had a great time, thank you! I also like how we all got the same number stamped on our arm so no one takes a different kid home. You can relax there and not have to watch your kid like a hawk, totally awesome!
